ABOUT
ONTARIO HEALTH TEAMS

WHAT IS THE HILLS OF HEADWATERS COLLABORATIVE?

The Hills of Headwaters Collaborative is Dufferin-Caledon's Ontario Health Team. We are health and care providers working together with patients, families and caregivers to improve the health and well-being of everyone in our community.

WHAT IS AN ONTARIO HEALTH TEAM?

Ontario Health Teams have formed to support the Province of Ontario's Health care system. Ontario Health Teams will

- Allow for better communication
- Improve services for patients
- Result in more collaboration between different health care providers

HILLS of HEADWATERS COLLABORATIVE

ONE COMMUNITY WORKING TOGETHER

to improve the health and well-being of everyone who lives and provides care across Dufferin-Caledon.

ABOUT

HILLS OF HEADWATERS COLLABORATIVE

OUR IMMEDIATE PRIORITIES

- Better connect services so that patients do not have to re-tell their story
- Ensure everyone in Dufferin Caledon has a fair opportunity to be as healthy as possible
- Create a Palliative Care Team to expand services and improve care
- Improve and expand access to Mental Health and Addictions Services
- Improve the home and community care experience for patients with complex care needs

WHICH ONTARIO HEALTH TEAM ARE YOU A PART OF?

You will be a part of an Ontario Health Team based on where you get your care and how you use services, instead of where you live.

THE HILLS OF HEADWATERS COLLABORATIVE TEAM INCLUDES:

- Patients, families & caregivers
- Family physicians & specialists
- Palliative care service providers
- Long term care facilities
- Home & community care providers
- Headwaters Health Care Centre
- A long list of other health and social service providers

HOW YOUR VOICE CAN BE HEARD

Goals of the Hills of Headwaters Collaborative is to work in full partnership with patients, caregivers and families. This team approach will include committees, councils, working groups and much more.

The Community Wellness Council brings patients, families and caregivers together with health and care providers. Your lived experiences are important to help us shape how we will organize and deliver care as an Ontario Health Team.
